Because not all  
threats come  
through the gate

# M30 & M50 Crash-Rated Perimeter Security Solutions

## Solutions for your entire perimeter

**HySecurity** believes that security doesn't need to place a burden on everyday movements. Our StrongArm M30/M50 and HydraWedge SM50 solutions secure vehicle access points while permitting the free flow of traffic.

Bollards do the same for pedestrian traffic, permitting free movement while protecting from accidental and malicious threats.

### HydraWedge SM50 StrongArm M50 M50 Bollards

Our M50 products offer the highest security rating available today and can stop a 15,000 lb vehicle moving at a speed of 50 miles per hour.

### StrongArm M30 M30 Bollards

Our M30 rated products can stop the same vehicle at 30 miles per hour.

### M30 Bollards M50 Bollards

Bollards protect structures and pedestrian areas, providing an attractive addition to our vehicle access security solutions.
